Personal Profile

I am hard-working, reliable and trust worthy with both excellent time keeping and organisational skills. I am both a resilient and responsible team player with the ability to make quick and informed decisions. I have a wealth of work experience with an excellent work ethic, while being both competent and confident in my abilities. I work equally effectively either alone or as part of a team and can quickly learn new skills when the opportunity arises. I am customer service focused, with a friendly and approachable manner when dealing with colleagues, customers and clients alike and It is my objective to continue my career in an environment in which my skills and knowledge can be utilised and enhanced. I am also keen to learn new skills.
